was a story as you know
of the Garden of Eden &
Kings & people of
our time in the world
of the sea & the sky.
Eyes are in every
sea & every air & the
very words of men
tell us of many things
say to you of the world
of the sea, of the sky,
of the earth.

and all the world is
in the air & the sea
the air is the air
the sea is the sea
the earth is the earth
the world is the world
the air is the air
the sea is the sea
the earth is the earth
the world is the world
the air is the air
the sea is the sea
the earth is the earth
the world is the world
