

The card features a light blue background with a dense pattern of small, five-petaled flowers. A central illustration depicts a rising sun with rays, framed by two stylized trees. The sun's face contains the embossed number '903'. Below the illustration, a white rectangular area contains handwritten text in a cursive script. The entire card is bordered by a repeating pattern of small flowers, and the text area is flanked by two vertical decorative elements resembling stylized ladders or combs.
